Mr. Omundsen,

Our office has evaluated the VegaAIS AtoN type 3 stations, models VAIS-3S, VAIS-3E. Based on the information you submitted, these systems meet the technical requirements outlined in the International Electrotechnical Commission (IEC) standards 62320-2 and 60945.

This equipment is not subject to U.S. Coast Guard type-approval per Title 46 U.S. Code of Federal Regulations (CFR) subpart 159 nor should it be marketed as having received such type-approval. However, this letter may be used during the review and approval process performed by the U.S. Federal Communications Commission, as applicable.

If you have any questions please feel free to contact this office at the email address or phone number above.

Sincerely,

T. M. HOWARD  
Commander, U.S. Coast Guard  
Office of Design and Engineering Standards  
Chief, Systems Engineering Division
